## MERLOT VENETO IGT RIMOLA

Categories: [Red Wine](#), [Veneto](#)

Tag: [USA](#)

## PRODUCT DESCRIPTION

TYPE OF WINE: Red

CLASSIFICATION: IGT

PRODUCTION AREA: Veneto

GRAPES: Merlot

ALCOHOL: 12% Vol.

COLOR: Its color is intensive ruby red, clear and bright when young, with garnet red reflexes with the aging.

FRAGRANCE: It's a wine characterized by red fruit perfume, in particular fruits of the forest, red flowers and typical vegetal and herbal aromas. When long aged aromas of plums or wild cherry jam are evident. During the aging it refines its bouquet.

FLAVOUR: In mouth it results a full-bodied wine, dry and structured, but at the same time velvety and harmonic, with the right amount of tannicity.

FOOD PAIRINGS: This wine is very good in pairings with structured first courses, roasts and red and white meat, braised meat, and medium ripe cheeses.

SERVING TEMPERATURE: 14° - 16° C.
